

# Acknowledgements

I would like to thank my previous colleagues at Pima County Community College for their reviews and suggestions in preparing this book.

I would particularly like to thank Prof. Wendy Weeks-Galindo for her excellent section on Graphing Practice and her helpful suggestions in reviewing this book.

I would like to acknowledge the contributions of the late Prof. Donald Slavin and the late Prof. Joan Myers, Community College of Philadelphia, for their collaboration in developing and revising the Safety Test questions.
